FALL HIGHLIGHTS 2019

Twentieth Century Club of Park Ridge President's Message

Dear Members,

Welcome to another fun and exciting 20th Century Club year. Our Board has been diligently working all Summer to provide many fantastic programs and fun activities for all of us.

A special thanks to Carla Bush for creating our wonderful yearbook; to Liz Greenhill for her constant effort to get new members and presenting the *Membership Extravaganza* at our first meeting; to Toni Fosi for the great Fall Highlights; and to all the officers, directors, department chairs, committee chairs and activity chairs for developing the programs and events for this club year.

In November remember to help Social Services chair, Myrna Fogarty, with the Thanksgiving Goodie Baskets for Center of Concern, and to attend our December 3rd Christmas luncheon at the Country Club chaired by Angie Bratek and Dolores Kazmer.

Because of the hard work of Pat Long and her committee, the 2019 Benefit was extremely successful. We received thank you letters from Park Ridge History Center, Park Ridge Fine Arts Society, and our Scholarship recipients.

We have many philanthropic and social activities planned for this club year. My hope is that you will find something that you can participate in that will benefit our club, our community and yourself. Always remember that our 20th Century Club is a great way to meet new friends and make lasting friendships.

Sincerely,
Sue James, President

20th Century Club Gives Back to the Community- Fine Arts Society

This year, the club selected the Park Ridge Fine Arts Society as one of our beneficiaries. The Concerts in the Park are germane to promoting community interaction, entertainment and the highest level of musicianship. Friday night Concerts in the Park are an integral part of what makes Park Ridge so special. Families and friends enjoy an evening of entertainment in a beautiful setting.
